- **When you receive an email from me you will receive a secure email through my srj@sherylrjacobs.com Office 365 account.**
- **You will then need to click on the blue box that says "READ THE MESSAGE" and follow the directions for your computer.**
- **If you want to respond to my email, hit reply to the opened email and your reply will be encrypted back to me.**
- **If you want to initiate an encrypted email to me, you can ask me to send you a secure email by emailing me at srj@sherylrjacobs.com, without sending me any clinical information. I will then send you a secure email.**
- **Other email options also exist for encrypted email, but please let me know if you are sending me information through that system prior to sending me an email so that I know it is a legitimate email.**

SUMMARY OF THERAPIST PATIENT AGREEMENT
for the office of Sheryl R. Jacobs, Ph.D. P.C.

Revised July 1, 2022

(Initial)

_____ I have been made aware that there is a Therapist Patient Agreement and Maryland Notice Form on Dr. Sheryl R. Jacobs' website (www.sheryljacobs.com) and that I have either read this document on her website or can download a copy for my records. If I do not have internet access I can request a copy of the Therapist Patient Agreement and Maryland Notice Form, or review a copy at her office.

_____ Payment of fees is required at the time of the visit for all services as Dr. Jacobs does not participate with any insurance companies. \$250 is charged for an initial appointment (CPT code 90791) which will last between 60 and 75 minutes. \$180 is charged for a 45 minute appointment for both individual therapy (CPT Code 90834), family therapy with patient (CPT Code 90847) or family therapy without patient (CPT Code 90846). A 30 minute individual session (90832) is charged at \$125.

_____ I understand that it is my responsibility to determine my specific out-of-network deductible and the amount of out-of-network coverage available once that deductible has been met. Although each insurance plan varies, I understand that the deductible is generally higher than if I saw an in-network provider and that the percentage covered once that deductible is met may be lower than if I saw an in-network provider.

_____ I understand that I am required to obtain any authorization for mental health services by contacting my PPO or POS insurance company, and I will keep Dr. Jacobs informed of any changes in my insurance plan.

_____ I understand that if I have an HMO or Medicare, I will need to sign a Private Patient Contract with Dr. Jacobs and will not be able to submit for reimbursement through this insurance.

_____ I WOULD or _____ WOULD NOT like Dr. Jacobs to electronically file one claim for each date of service as indicated on my patient registration packet. This is a courtesy done by Dr. Jacobs, and I understand that I will need to follow up with any claims that are not paid correctly or in a timely manner.

_____ Dr. Jacobs requires 48 hours advance notice of cancellation or I will be billed a late cancellation/no show fee of \$125 for the session. Exceptions will be made only due to emergencies or inclement weather.

_____ In an emergency situation when I have first tried Dr. Jacobs on her client number (410 580 9045) and I cannot wait for a return call, I will call 911 or proceed to the nearest emergency room.

_____ Email is not considered a secure or confidential form of communication and therefore should not be used for communication. A secure email may be used by requesting Dr. Jacobs to send a secure email to me through her Outlook email (srj@sheryljacobs.com) and I can use that email to respond in a secure fashion. I understand that if I do not use an encrypted email, Dr. Jacobs cannot ensure my confidentiality.

_____ Email is not checked on a regular basis and therefore should not be used for emergency communications or for same day or late cancellations.

_____ Text messaging through 410 580 9045 is not secure nor HIPPA compliant and should not be used for emergencies or clinical information. This text system does not have a sound notification activated, and therefore may not be responded to immediately. Texts should only be used if needed for routine scheduling matters.

_____ I WOULD or _____ WOULD NOT like to receive email reminders about my appointments.
These reminders will be sent two days before the appointment, in order to allow for appropriate changes in your appointment time if necessary. The email will include the date and time of your appointment and my name, but this message will not be encrypted. Health Care information can be lost, delayed, intercepted, delivered to the wrong email or corrupted. If you understand these risks, and would like me to send you an email reminder please initial. Also, I will use the email below if you have agreed to email reminders.
